Sing on to Victory with 'Songs of Cheer'

HERE it is—the song book of America—a Pocket Book of Songs—the soul of America's war-time spirit expressed in songs of cheer. Here are the songs our boys sing when they march away—the choruses they sing in trench and dugout over there—the songs they'll sing when they come marching home from victory. All of them are *songs of cheer*, that you love to hear, and *sing* and *play*.

They are the inspiration songs of today, the memory songs of tomorrow. You will enjoy every whit of this little volume now—and in later years you will cherish it as a treasure.

It contains all the songs and choruses worth singing, the national anthems of the Allies, the songs of long ago, the new hits of today. Many hits are printed with words and notes. See other column for complete list of contents.

Ideal for Community Sings

"Songs of Cheer" is admirable for Community Sings and Patriotic Meetings, when everyone "voices" their loyalty and patriotism in songs of the war, of America and her fighting sons. It contains *just the songs for patriots*—the national anthems of America and her Allies, the war songs of today, the songs of bygone days. Then, too, its handy, pocket size makes "Songs of Cheer" very convenient to use.
